

Date	Time	Location	Seminar Title	Speaker	Credentials	Affiliation	Available for CE credit?
12/11/2012	4 p.m.	Gluck Center	Equine Parasite Control Programs - Past, Present and Methods for Evaluation	Jennifer Bellaw	Grad Student	Graduate Research Assistant, Department of Animal and Food Sciences, University of Kentucky	No
12/11/2012	4 p.m.	Gluck Center	Investigation of <i>Parascaris equorum</i> Excretory-Secretory Proteins	Steffanie Burk	Grad Student	Graduate Research Assistant, Department of Animal and Food Sciences, University of Kentucky	No
12/4/2012	4 p.m.	Gluck Center	ICU Acquired Myopathy; A Major Cause of Death in the United States	Gerald Supinski	MD	Professor, Department of Internal Medicine, Division of Pulmonary, Critical Care and Sleep Medicine, Kentucky Clinic, University of Kentucky	Yes
11/27/2012	4 p.m.	Gluck Center	Current Trends in Large-Scale Human Genetics Study: A Survey of Technologies, Projects and Methodological Advances and Challenges	Dave Fardo	MS, PhD	Assistant Professor, Department of Biostatistics, College of Health, University of Kentucky	Yes
11/27/2012	10 a.m.	Gluck Center	Development of New Allelic Discrimination Real-Time PCR Assay Targeting the Open Reading Frame of 30 of Equine Herpesvirus-1 and Characterization of the Virulence Determinants of the Virus.	Kathryn Laura Smith	MS	Graduate Research Assistant, Department of Animal and Food Sciences, University of Kentucky	No
11/20/2012	4 p.m.	Gluck Center	Diet and the Equine Microbiome	Laurie Lawrence	PhD	Professor, Department of Animal Sciences, University of Kentucky	Yes
11/15/2012	1 p.m.	UKVDL	<i>Lawsonia intracellularis</i> and Equine Proliferative Enteropathy Symposium	-	-	-	Yes
11/13/2012	4 p.m.	Gluck Center	Exploring the Equine Microbiome with Concepts and Tools from the Ruminant Microbiome	Michael Flyth	PhD	Research Microbiologist, USDA ARS Forage Animal Production Research Unit (FAPRU), Agriculture Science Building North, University of Kentucky	Yes
11/5/2012	10 a.m.	Gluck Center	Evaluation of Semen Quality and the Establishment of Equine Arteritis Virus (EAV) Persistent Infection in Stallions Experimentally Infected with the Kentucky 84 (KY84) Strain.	Juliana Roberta Campos	DVM	Graduate Research Assistant, Department of Animal and Food Sciences, University of Kentucky	No
10/30/2012	4 p.m.	Gluck Center	<i>Rhodococcus equi</i> - A New Model for a Better Understanding of an Old Disease	Macarena Sanz	DVM, MS	Graduate Research Assistant, Department of Animal and Food Sciences, University of Kentucky	No
10/23/2012	4 p.m.	Gluck Center	Epidemiological Study of Factors Affecting Racehorse Performance in Hong Kong and the Vision Forward	Kenneth K.HM Lam	BSc, (Hons), B Vet Med, PhD, Cert VA, MRCVS	Executive Manager, International Veterinary Liaison, OIE PVS Gap Analysis Expert, The Hong Kong Jockey Club, Sha Tin Racecourse, NT, Hong Kong	Yes
10/18/2012	4 p.m.	UKVDL	Burn Injuries in the Horse	R. Reid Hanson	DVM	Diplomate, American College of Veterinary Surgeons, Diplomate, American College of Veterinary and Critical Care, College of Veterinary Medicine, Auburn University	Yes
10/16/2012	4 p.m.	Gluck Center	Contraception of Feral Horse Populations in Nevada	Dr. Irwin Liu	PhD	Professor, Department of Population Health and Reproduction, School of Veterinary Medicine, University of California	Yes
10/15/2012	11 a.m.	Gluck Center	The Effect of Aging on the Immune Response to Polysaccharide Antigens	Lakshman Chelvarajan	PhD	Research Associate, Center for Oral Health Research, College of Dentistry, University of Kentucky	Yes
10/2/2012	4 p.m.	Gluck Center	Furosemide and EIPH: Efficacy and Controversy: The American Horsemen's Story	Thomas Tobin	MVB, MSc, PhD, MRCVS, DABT	Professor, Department of Veterinary Science, Gluck Equine Research Center, Professor, Graduate Center for Toxicology, University of Kentucky	Yes
9/27/2012	4 p.m.	UKVDL	Equine Piroplasmiasis	Robert Mealey	DVM, PhD	Diplomate, American College of Veterinary Internal Medicine, Associate Professor of Immunology and Infectious Diseases, Department of Veterinary Microbiology and Pathology, College of Veterinary Medicine, Washington State University	Yes
9/11/2012	4 p.m.	Gluck Center	Annotating the Equine Genome	Matthew Hestand	MS, PhD	Postdoctoral Scholar, Gluck Equine Research Center, University of Kentucky	Yes
9/7/2012	9 a.m.	Gluck Center	<i>Rhodococcus equi</i> Infection and Interferon-Gamma Regulation in Foals	Lingshuang Sun	MS	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
8/30/2012	3:30 p.m.	UKVDL	Seroepidemiology of Equine Leptospirosis Utilizing Diagnostic Laboratory Specimens from 29 States (US) and One Canadian Province: Is it Time to Develop a Vaccine?	Craig Carter	DVM, PhD, Dipl. ACVPM	Professor, Veterinary Epidemiologist, Director, Veterinary Diagnostic Laboratory, University of Kentucky	Yes

8/30/2012	4:30 p.m.	UKVDL	Treatment of Subchondral Bone Cysts in the Media Femoral Condyle of Horses using Transcondylar Screw	Elizabeth Santschi	DVM, DACVS	Associate Professor, Veterinary Clinical Sciences, The Ohio State University	Yes
8/16/2012	4 p.m.	Gluck Center	Acute Phase Proteins: Current Knowledge and Future Perspectives	Carolyn Cray	PhD	Professor of Clinical Pathology, and Microbiology & Immunology, Division of Comparative Pathology, University of Miami Miller School of Medicine	Yes
7/26/2012	4 p.m.	UKVDL	Stress of Weaning	Amanda Adams	PhD	Research Assistant Professor, Gluck Equine Research Center, University of Kentucky	Yes
7/16/2012	2 p.m.	Gluck Center	Effects of Exogenous Oxytocin in Administration on Oxytocin Receptor Expression and Function and its Relation to Luteolysis in Mares	Lauren Keith	Grad Student	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
6/28/2012	4 p.m.	UKVDL	Joint Diseases	Alicia Bertone	DVM, PhD	Diplomate, American College of Veterinary Surgeons, The Trueman Chair in Equine Clinical Medicine and Surgery, Department of Veterinary Clinical Sciences, College of Veterinary Medicine, The Ohio State University	Yes
6/19/2012	1 p.m.	Gluck Center	Chromatin Elimination in the Horse Parasite <i>Parascaris</i> and in the Insect <i>Sciara</i>	Clara Goday	PhD	Visiting Scientist, Centro de Investigaciones Biológicas, C.S. I. C. (Spanish Research Council), Madrid, Spain	Yes
6/13/2012	2:30 p.m.	Gluck Center	Performance of Horses out of Mares Suspect for Placentitis and Effect of Reproductive Status and Foaling Season on Incidence of Dystocia	Sydney Hughes	Grad Student	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
6/11/2012	9:30 p.m.	Gluck Center	Studies on Equine Arteritis Virus: Seasonal Influences on Circulating Testosterone and Viral Shedding, Inactivation of Viral Infectivity in Semen of Carrier Stallions, Vaccinal Prophylaxis of Yearling Colts, and Prevalence of Infection in Camelids	Jessica Henning	Grad Student	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
5/31/2012	2 p.m.	Gluck Center	Serum Amyloid A and Haptoglobin Concentrations in Pregnant Mares with Experimentally Induced Ascending Placentitis	Igor F. Canisso	DVM, MSc, Diplomate, American College of Theriogenologists	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
5/31/2012	4 p.m.	UKVDL	Equine Parasite Control - Too Much or Too Little?	Martin Nielsen	DVM, PhD	Gluck Equine Research Center, University of Kentucky	Yes
5/22/2012	4 p.m.	Gluck Center	Modulation of Type-I Interferon Response by Equine Herpesvirus-1	Sanjay Sarker	MVSc	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
5/22/2012	4 p.m.	Gluck Center	Influenza Virus and Susceptibility to Bacterial Infection	Ashish Tiwari	MVSc	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
5/15/2012	4 p.m.	Gluck Center	Anti-Mullerian Hormone in the Mare and Stallion: What Do We Know So Far?	Anthony Claes	Grad Student	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
5/15/2012	4 p.m.	Gluck Center	Prepatent Diagnosis of <i>Strongylus vulgaris</i> Infection in Horses	Ulla Anderson	Grad Student	Visiting Graduate Student, Gluck Equine Research Center, University of Kentucky	No
5/11/2012	1 p.m.	Gluck Center	Ingestion of Endophyte-Infected Tall Fescue Seed Induces Peripheral Vasoconstriction But Does Not Affect Cyclicity in Non-Pregnant Mares	D. Andrew Hestad	Grad Student	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
5/8/2012	4 p.m.	Gluck Center	ECM2: Introduction to an Injectable Treatment for Mechanically Dysfunctional Tissues with Initial Results from Equine SDFT Testing.	Tom Hedman	PhD	Research Associate Professor, Center for Biomedical Engineering, Wenner-Gren Research Laboratory, University of Kentucky	Yes
5/4/2012	9 a.m.	Gluck Center	Breeding Induced Endometritis in the Mare: The Local Innate Immune Response	Elizabeth M. Woodward	Grad Student	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
5/1/2012	4 p.m.	Gluck Center	Venereal Diseases Transmitted by Stallions: An Overview	Juliana Campos	DVM	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
4/26/2012	4 p.m.	UKVDL	Lameness and Diagnostic Imaging	Kent Allen	DVM	Virginia Equine Imaging, Middleburg, VA	Yes
4/24/2012	4 p.m.	Gluck Center	Investigating the Role of Genetic Determinants in Equine Cervical Stenotic Myelopathy	Jennifer Janes	DVM	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
4/23/2012	9:30 p.m.	Gluck Center	Development of Molecular Diagnostic Assays for Equine Respiratory Viruses and Analysis of the Role of Equine Arteritis Virus Envelope Proteins in Virus Attachment and Entry	Zhengchun Lu	MD, MS	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
4/19/2012	9 a.m.	Gluck Center	The Transmission Dynamics of Equine Herpesvirus Type 1 (EHV-1) Infection in Outbreaks Characterized Predominately by Neurologic or Respiratory Illness.	Barry J. Meade	MS, DVM	Area Veterinarian In Charge, USDA-APHIS-VS, North Carolina, Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
4/17/2012	4 p.m.	Gluck Center	The Pharmacokinetics and Pharmacodynamics of Glycopyrrolate in Horses	Rick Sams	PhD	Director, HFL Sport Science Laboratory, Lexington, Kentucky	Yes

4/10/2012	4 p.m.	Gluck Center	Poisonous Plants: Prevalence in Kentucky	Bill Witt	PhD	Department of Plan and Soil Sciences, University of Kentucky	Yes
4/3/2012	4 p.m.	Gluck Center	Statistical Approaches to Evaluate Biological Issues in Equine Data Sets	Anand Vidyashankar	PhD	Associate Professor, Department of Statistics, Volgenau School of Engineering, George Mason University, VA	Yes
3/29/2012	4 p.m.	UKVDL	Sepsis-Related Laminitis vs. Pasture-Associated Laminitis — Two Very Different Disease States for the Researcher and Clinician.	James Belknap	DVM, PhD	Diplomate, American College of Veterinary Surgeons Professor, Department of Veterinary Clinical Sciences, College of Veterinary Medicine, The Ohio State University	Yes
3/27/2012	4 p.m.	Gluck Center	Integrated Genomic and Epigenomic Approaches to Improve Health in Horses	Scott Dindot	PhD	Assistant Professor, Department of Veterinary Pathobiology, Texas A&M University	Yes
3/15/2012	4 p.m.	Gluck Center	Northern Elephant Seals	Gene Lyons	PhD	Professor, Gluck Equine Research Center, University of Kentucky	Yes
3/20/2012	4 p.m.	Gluck Center	The Effect of Training and Nutritional Supplementation on Exercise-Induced Pro-Inflammatory Cytokine Gene Expression in Two Year Old ThoroughbredS	David Horohov	PhD	William Robert Mills Chair, Gluck Equine Research Center, University of Kentucky	Yes
3/6/2012	4 p.m.	Gluck Center	An Overview of Veterinary Serological Diagnostic Testing: Past, Present, and Future	Kristin Pfahl	Grad Student	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
2/29/2012	11 a.m.	Gluck Center	Presence of Bacteria in the Reproductive Tract of Healthy Stallions and its Relation to the Fertility of Mares	Kat Cerny	Grad Student	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
2/28/2012	4 p.m.	Gluck Center	The Use of Oxytocin to Prolong Luteal Function in Mares	Laruen Keith	Grad Student	Graduate Research Assistant, Gluck Equine Research Center, University of Kentucky	No
2/23/2012	4 p.m.	UKVDL	Practitioners' Approach to Assisted Reproduction	Rob Foss	DVM	Equine Medical Services, Inc., Columbia, MO	Yes
1/26/2012	4 p.m.	UKVDL	Case Studies in Equine Toxicology	Cynthia Gaskill	DVM, PhD	Associate Professor, Veterinary Clinical Toxicologist, UK Veterinary Diagnostic Laboratory	Yes
1/26/2012	4 p.m.	UKVDL	Case Studies in Equine Toxicology	Laura A. Kennedy	DVM, DACVP	Assistant Professor, Veterinary Pathologist, UK Veterinary Diagnostic Laboratory	Yes
